

Care Home Funding

Is it possible to have your cake and eat it?

You are invited

HK Humphries Kirk
solicitors and arbitrators

Join us for coffee, cakes and a short presentation looking at Care Home funding and how you can protect your estate for the benefit of those whom you love. The morning will include:

10:30 - Coffee & Cake

11:00 - Funding Care

11:30 - Protecting you & your loved ones

Funding Care - No matter what Care choices you make, navigating your way through the bureaucracy surrounding care can be daunting – **James Hammersley** will give you advice on protecting assets for your loved ones and insights into continuing care.

Protecting you & your loved ones – We have probably all heard stories of people of whose world is turned upside down due to accident or illness. The effect on loved ones can be equally traumatic. James & **Amy Dellar** will look at how a Lasting Power of Attorney can help ensure that you and your loved ones are covered in the event that you may not be able to make decisions for yourself.
